Dear Friend,

November 26, 2007

At this time of the year we want to thank you for your continued interest in Volunteers in Medicine, Chattanooga, Inc. Most of you have followed the progress of the clinic from the beginning and have seen it grow from an idea to a vital health care facility for our friends and neighbors who are often forgotten. In the first 2 1/2 years of operations, we have logged 10,641 patient visits and delivered \$4,410,871 of health care. Statistics, of course, do not tell the whole story of lives that have been dramatically changed as a result of the medical and caring attention of the clinic.

As we look forward to 2008, one of our primary needs is to solidify the financial support for the clinic. We hope you will consider continuing your support for the clinic or becoming a new supporter. Every dollar helps. \$68 will sponsor a patient visit and \$1500 will operate the clinic for a day, including all the associated medications and lab work required as a part of our routine care as well as supporting programs. The attached form can be used for a one-time gift or to make a pledge for ongoing support. You may also want to use this occasion to make a donation "In Honor" or "In Memory" of someone. (Please include the name and address to whom the acknowledgement should be sent. All donations are tax deductible.)

In addition to financial support we are also looking for volunteers to expand our service. If you are already a volunteer, THANK YOU! If not, you may want to consider volunteering in the clinic and experience the real joy of giving. Just call 855-8220 and ask to speak to the Volunteer Coordinator.

Merry Christmas and thank you for thinking of others,

*Nancy Franks*  
President

*Jeff Olingy*  
VIM Board Chairman
