

VISA GIVING GATEWAY

Information for Website

November 29, 2010

1. Only **VISA** credit or debit cards can be used through this website. **All** donations are tax deductible.
2. The donor has **four easy steps**:
 - Go to www.visagiving.com and click "donate to a charity" at the top
 - Find our charity by typing "Volunteers in Medicine" (be sure to select the Chattanooga clinic)
 - Donate the amount
 - Print the receipt
3. No registration is required to donate via the website. However, if you want a report showing your giving history then you must register.
4. Giving through this program creates an instant receipt. If you want the donation to be in honor or in memory of someone then you can enter the information and an acknowledgement will be sent to the person via email only. Otherwise you would have to print the acknowledgement off and mail it to the person (if they have no email).
5. Donations are anonymous to Volunteers in Medicine, Chattanooga, Inc. unless the donor selects the option to have their name and address submitted to VIM.
6. There is no minimum or maximum donation amount. Recurring donations can be set up or a person can make one-time donations.

THANK YOU SO MUCH!!!
